Hello Rev. Dana Hoyt

I greatly appreciate all your help and getting back to me so quickly. I am pleased to hear that I was approved and glad to be a part of this *project*. Because of my work schedule, attending Tuesdays and Thursday's orientation are harder therefore I really like the option of attending Friday morning orientation and then do the Jumu'ah service. I am usually off from work on Friday (except June 25th) so logistically it is easier for me to attend and do the orientation and the prayer.

Once again thank you so much for all your help.

Hello Rev Hoyt

I hope you are doing well. Things are going well with my family and the little one is keeping us busy at most of the time. The cd I gave out have files on a DVD so yes without dvd rom it won't work. I decided to put it on dvd disk because of the 4.5 Gigabyte of space. Yes a large thumb drive would work wonderfully to transfer the files onto the chapel computers.

I will be able to make it on Aug 6th unless something changes. We don't have appropriate date for Ramadan or Eid because they are calculated based on the lunar calender. But I will know a head when we are expecting the Ramadan once I find out.

Thanks again for making all this things happen and all your help.

I hope all is well with you, your wife, and the little one. I understand things went just fine in my absence. I received the disk you left, but I am, so far, unable to view anything on it. I will take it home and try there. If it files on a DVD, we don't have a computer in the Chapel area capable of such; we only have CD-ROMs, so far. If I can read it at home, I will transfer the files to my thumb drive and then onto the Chapel computers.

Do you know when you will be coming up next? The more advance notice we have, the better we are able to get the word out to the men.

Do you have the appropriate dates for Ramadan this year? I am working on the details for the Operations Bulletin.

Thank you again for sacrificing time and gas money to come up for the men here.

They would not have to go through the volunteer orientation, since it would be a one-time event. They would need to submit an application and we would have to do a background check, and fairly soon.

If it is possible for you to do it, you would not have to do anything, as you are already approved for all facilities.

Second, is it at all possible for you to come up to share the Eid feast with the men at the end of Ramadan? Just a few days ago our policy changed, and now states that, in the absence of a qualified volunteer, groups are not even allowed to share a feast meal. So as it stands now, the Muslims up here will not be able to close out Ramadan with a feast, unless I can find a qualified volunteer to lead the feast. We were planning for a feast on September 1, either at 11:00 am or 4:00 pm, but it could be moved to a different day if necessary. Is this something you would be willing to do? Hello Rev Hoyt

I hope you are doing well, i hope your surgery goes well.

I am confirming that on august 25th I will come up in Berlin. I am open for either lunch or dinner, which is easier.

For the quran I would like to mail 10 copies of them to berlin location from the store. If I can do that please let me know who should I sent it to.

Thank you for all your help.

As for the Qurans, I don't know of anyone who would be able to read it in anything other than English. We could use as many as possible, as I know of at least 6-8 men who would immediately take one, and there will be others. Any number would help.

How are you doing, I hope you and your family is doing as well. My family and I are doing well. I hope the *brothers* are doing well over there, I do miss them very much.

1. I can surely come for Eid Ul Fiter in the following weekend after Eid. If regulation permits for weekend than in the august 25th or 26th.
2. I have forwarded the email to others in the community, if some one volunteer i will give you his contact. Most of my close friends have left NH within last two year its been difficult.

3. Please let me know how many copies do you need and are you looking just for the English translation of quran or the arabic quran. I will bring them with me next time when I come in Berlin.

Hello rev Hoyt. How was your surgery? I hope it went well and you are feeling better. I have mailed 10copies of the quran to Sue after the day you left for surgery. Please check that it has arrived, as they were mailed directly from the book store. If it isn't here then i need to check with the book store. i paid about 80 dollar for 10 copies. If you need the invoice,let me know i will email it to you.

For the trip 12:00 would be better - give n take 20 min. I am planning to stay for 2-3 hours.

Please let me if that's ok.

Hello Rev

yes, I did offer for few prayer rugs. Once I come back from my trip i will work on it to sent them to you , same for the Qurans as well .

I have thought about my future visit and honestly its really difficult for me to come here in routine basis. Because I can only come here in the weekend, I can't attend the Friday prayer with the inmates which was easily worth the travel time but without this prayer I really can't make time for it. but to answer the question god willing I will most like to come by next spring or summer if I get a Friday off to do the prayer, and if I can't then perhaps I will attend the next Eid Feast.

Thank you

I received a request slip from two inmates (so far) asking for prayer rugs that they say you have offered to provide. Is this true? If so, feel free to have rugs sent to me and I will make sure the men get them. Just be sure to let me know ahead of time the quantity and value of the order so I can process the paperwork in advance. I have issued the last of the Qurans you provided, so I am out now.

I hope you have a safe, wonderful trip to Bangladesh. Do you have a target date in mind for when you may come in again after your return?

I am the Chaplain at the Northern NH Correctional Facility and we have several inmates who follow Islam. The Chapel has no financial resources and relies solely on donated items for inmates' use. We have two stand-alone (no internet capability) computers the men may use for study. Would you consider donating a copy of your cd's to the prison for use on these computers? The men would appreciate it greatly. Thank you for your consideration in this matter.

Subject: [aSpprt-7617] Need Islamic resources for prison inmates

I am the Chaplain at the Northern NH Correctional Facility and we have several inmates who follow Islam. The Chapel has no financial resources and relies solely on donated items for inmates' use. We have two stand-alone (no internet capability) computers the men may use for study. Would you consider donating a copy of your cd's to the prison for use on these computers? The men would appreciate it greatly. Thank you for your consideration in this matter.

Sincerely,

Chaplain Dana C. Hoyt

Dear Abdullatif,

We are looking forward to your arrival to meet with the men here tomorrow. It would be helpful if I could speak with you prior to the meeting, either on the phone or in person just before the meeting. If you would like to call me, I will be in my office here at the prison today until 3:30 pm and tomorrow from 9:00 am until you arrive. This afternoon and evening you can reach me on my cell phone: 723-7103. Thank you for your willingness to travel all the way up here. I would be happy to give you directions to the facility, also.

Dear Abdullatif,

Yes! Forgive me for not replying to your earlier e-mail. I was so excited to hear from you again, that in the commotion of publicizing the news I forgot to reply that it was fine.

Looking forward to seeing you tomorrow.

Mr. Bagegni,

I hope your trip was a good one. I don't know if you have returned yet, but the men here are anxious for you to come again as soon as possible. Please let me know when it will work out for you, and I will put up a poster to advertise.
